# Country Charme

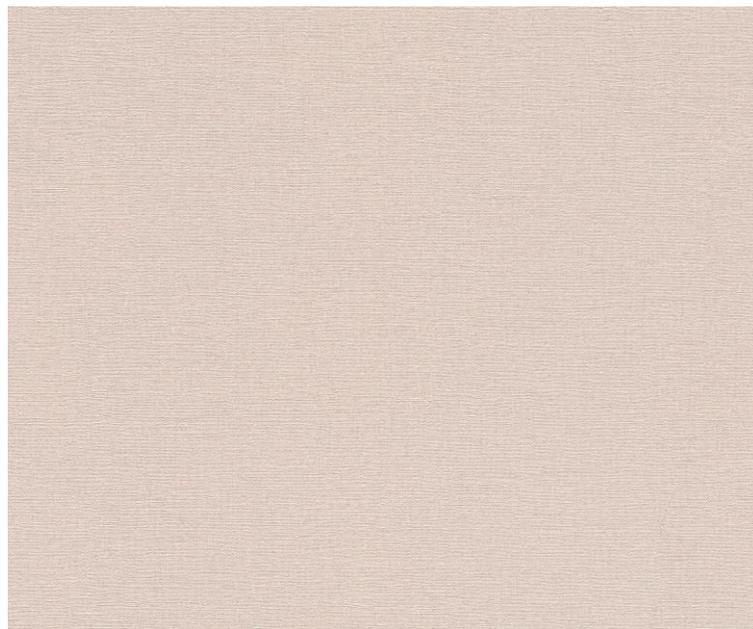

Willkommen auf dem Land! Entschleunigung lautet hier das Lieblingswort und das gelingt mit einer feinen Portion **Country Charme** besonders gut. Dank harmonisch abgestimmter Farben, **floraler Muster** und individueller **Strukturen** lädt uns die Tapetenkollektion auf einen Spaziergang in die Natur ein.

Mal erstrecken sich von Hand gezeichnete **Blütenranken** über die gesamte Wand, mal überraschen uns üppige Pflanzen mit changierenden Farb-Effekten. Auch ein sandiges Streifenmuster darf nicht fehlen, um das **natürliche Wohngefühl** nach Hause zu holen.

Für den **Blick ins Grüne** sorgen Unitapeten wie Moos, Salbei und Oliv. Doch auch kräftige Farben wie Currygelb oder Terrakotta dürfen gerne einziehen. Durch ihre **natürliche Haptik** wirken die Dessins perfekt unperfekt – wie die Natur selbst.

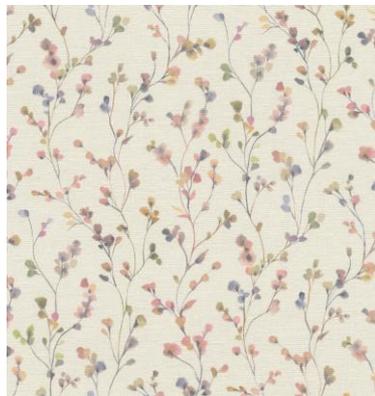

Alle Tapeten der Kollektion sind farblich aufeinander abgestimmt. So findet man zu jedem **Country-Muster** schnell ein charmantes Pendant. Das gefällt uns am **Landleben**.
