PRIMA DI INIZIARE L'ASSEMBLAGGIO / BEFORE STARTING ASSEMBLY

IT:

1. In caso di pezzi mancanti o danneggiati all'interno del cartone, rivolgersi al punto vendita presentando la prova di acquisto. Indicare sempre il codice dei pezzi mancanti o danneggiati, indicati alla sezione "ISTRUZIONI DI MONTAGGIO" di questo manuale.

2. Posizionare su una superficie piana e stabile.

3. La confezione contiene alcuni componenti taglienti o appuntiti; si raccomanda di indossare guanti da lavoro durante il montaggio del prodotto.

EN:

1. If parts are missing or damaged, please contact your local dealer accompanied by the proof of purchase. Remember to indicate the code of missing or damaged parts always referring to this manual.

2. It is mandatory to install on a level, stable surface.

3. The pack may contain some sharp parts. Please be careful when handling these components. Always wear work gloves.

ATTREZZATURA OCCORRENTE PER IL MONTAGGIO / REQUIRED TOOLS

IT: Attrezzatura non inclusa!

EN: Tools not included!

GARANZIA LIMITATA DI 2 ANNI / 2 YEAR LIMITED WARRANTY

IT: L'intera gamma dei prodotti viene prodotta con materiali di qualità e sotto controllo rigoroso. Qualora si presentasse un problema, rivolgersi al punto vendita presso cui è stato acquistato il prodotto.

Plastmeccanica S.p.A. sottopone i propri prodotti a test di resistenza e di stabilità ed è pronta a sostituire, a propria discrezione, qualsiasi prodotto o parti di esso qualora sia presente un difetto strutturale o produttivo per un periodo di 2 anni a partire dalla data di acquisto. Il periodo della garanzia inizia a partire dalla data di acquisto, quindi è necessario conservare la prova di acquisto da poter presentare su richiesta.

Dopo aver presentato un reclamo, il periodo di garanzia continuerà ad essere calcolato e resterà valido fino alla data della sua scadenza.

Sono esclusi dalla presente garanzia: danni causati da uso di forza, utilizzo non corretto o inappropriato, negligenza, uso commerciale o diverso da quello personale o domestico, danni derivanti da alterazione, pittura o assemblaggio non eseguito in conformità alle istruzioni di montaggio, danni causati dagli effetti di condizioni meteorologiche eccezionali (inclusi ma non limitati a temporali).

Plastmeccanica S.p.A. non si riterrà responsabile di eventuali danni causati ai beni riposti all'interno del prodotto.

EN. The full range of products is made with high quality materials and under strict controls. In case a problem should occur, please address your claim to the dealer where you purchased the product.

Plastmeccanica S.p.A. always tests its products for durability and stability and shall replace, at its discretion, any product or part which fails due to structural defect or faulty workmanship for a 2-year period from the date of purchase. The warranty period shall begin on the date of purchase; you should therefore keep the dated receipt to present upon request.

After a claim has been settled, the warranty period will continue to be counted and shall terminate upon its expiry date.

Damages caused by use of force, incorrect handling, inappropriate use, neglect, commercial use or use other than for personal or domestic purposes, damages resulting from alteration, painting or assembly not in accordance with the instruction manual and damages caused as a result of overload are excluded from warranty. In addition, the warranty excludes any damage coming from exceptional weather condition effects (including but not limited to storms).

Lastly, Plastmeccanica S.p.A shall not be responsible for any damage to goods stored inside the product.

MANUTENZIONE E SICUREZZA / CARE AND SAFETY

IT:

- Il prodotto è destinato esclusivamente a contenere oggetti.
- È fondamentale assemblare tutte le parti seguendo accuratamente le istruzioni nella sequenza indicata, senza saltare alcun passaggio e con l'ausilio degli attrezzi indicati.
- Per la scelta del luogo di posizionamento tenere conto della direzione del vento, che può danneggiare il prodotto, in modo particolare le ante. Quando il prodotto non è in uso, tenere il prodotto chiuso per evitare danni.
- Durante il montaggio, indossare sempre guanti da lavoro e prestare attenzione alle parti taglienti o appuntite.
- Al termine del montaggio, smaltire gli imballaggi secondo la vigente normativa sulla raccolta dei rifiuti.
- Il prodotto non può essere usato per trasportare cose e/o persone.
- Evitare di eseguire il montaggio durante le giornate ventose e/o piovose.
- Pulire con acqua e saponi neutri, non aggressivi. Non usare spazzole dure né detergenti abrasivi. Evitare detergenti a base di oli e acetoni.
- Dopo la pioggia, asciugare sempre il prodotto con un panno asciutto.
- Evitare di urtare il prodotto con oggetti che potrebbero danneggiarlo.
- Controllare periodicamente che il prodotto sia stabile e sicuro.
- Non riporre sostanze chimiche infiammabili o corrosive.
- Non riporre oggetti caldi (ad esempio, grill o altre attrezzature incandescenti).
- Non idoneo per riporre alimenti.
- In caso di incendio, non usare l'acqua per spegnere il fuoco sugli oggetti in polipropilene.
- Non salire sul top.
- Non chiudere persone e/o animali all'interno del prodotto.
- Si raccomanda di fare attenzione alle mani durante la chiusura delle ante, specialmente in presenza di bambini.
- Questo prodotto non è un giocattolo. Non permettere ai bambini di entrare all'interno.
- Conservare il presente manuale per future referenze.
- A fine vita, smaltire il prodotto secondo la vigente normativa sulla raccolta dei rifiuti.
