3. Product Description

Flat printed Non-Woven Wallpaper, Fibrous Non-Woven Wallpapers, Textured Non-Woven Wallpapers combines advanced printing technology with durable non-woven backing to create wallpaper that is strong, easy to apply, and perfect for both residential and commercial applications.

- Printed designs
- Non-woven backing ensures ease of application and removal
- Durable and tear-resistant, suitable for high-traffic areas
- Easy to clean and maintain
- Available in a range of designs, including textures, patterns, blend of fibres and prints

Expanded Non-Woven whites Wallpapers products offers a high-quality finish with a textured design. This wallpaper is specifically designed to enhance wall surfaces with its durable and flexible finish, which expands when applied.

- High-quality white finish
 - Textured design to add depth and character
 - Durable, flexible, ensures ease of application and removal
 - Product can be painted
 - Ideal for residential and commercial spaces
-

4. Safety Warnings

General Safety Warnings:

- **Flammability:** Non-woven wallpapers are generally non-flammable but should still be kept away from open flames and excessive heat sources during installation and use.
 - **Chemical Exposure:** Some adhesives used with glass fibre wallpapers may contain chemicals that could cause irritation or allergic reactions. Always follow safety instructions and use protective gloves and eyewear when handling the wallpaper and adhesives.
 - **Ventilation:** Ensure proper ventilation during and after application to reduce exposure to any fumes released by the adhesive or wallpaper.
 - **Storage:** Store wallpapers in a cool, dry place, away from direct sunlight and humidity. Keep rolls tightly wrapped until ready for use.
 - **Packaging Safety:**
 - Keep packaging materials (e.g., plastic wraps, bags) away from children and pets, as they pose a choking hazard.
 - Do not allow children or pets to play with packaging materials.
 - Dispose of packaging materials properly and ensure they are out of reach of children and pets.
-

5. Environmental Considerations

Recycling and Disposal:

- **Wallpaper Disposal:** Dispose of wallpaper and packaging in accordance with local recycling regulations. If not recyclable, dispose of wallpaper responsibly at a local waste facility.
 - **Packaging:** Graham & Brown uses recyclable packaging materials wherever possible to minimise environmental impact. Please recycle packaging materials when possible.
-

6. Product Safety Compliance

Regulatory Compliance:

All Non-Woven Wallpapers comply with relevant European Union and UK safety standards, including:

- **General Product Safety Regulations (GPSR)**
- **CE and UKCA Marking**
- **REACH (Registration, Evaluation, Authorisation, and Restriction of Chemicals):**
Compliance with chemical safety standards.
- **FSC or PEFC certification**
- **A+ VOC regulation**

Certification:

Declaration of Performance

These Non-Woven Wallpapers comply with the Construction Products Regulation (EU) No. 305/2011. As part of this regulation, the product meets essential characteristics and performance standards, including:

- Reaction to fire performance (classified according to EN 13501-1)
 - Compliance with environmental and health-related criteria
 - Product information, such as dimensions and performance data, are available upon request to ensure full transparency and compliance.
-

7. First Aid and Emergency Instructions

- **In Case of Skin Contact:** If wallpaper adhesive or material comes into contact with skin, wash immediately with soap and water. If irritation persists, seek medical advice.
 - **In Case of Ingestion:** If wallpaper adhesive is ingested, seek immediate medical attention. Do not induce vomiting.
 - **In Case of Eye Contact:** If adhesive or wallpaper material gets into the eyes, rinse immediately with plenty of water for at least 15 minutes. Seek medical attention if irritation persists.
 - **In Case of Inhalation:** If excessive fumes are inhaled, move the affected person to fresh air immediately. If symptoms persist, seek medical advice.
-

8. Return Policy

Faulty or Damaged Goods:

We strive to deliver products in perfect condition. If you receive faulty or damaged items, contact us at Graham & Brown immediately, and we will resolve the issue as quickly as possible.
